

FastBridge Learning PM Setup

Create New Graph

Log in as teacher
or specialist.

The interface shows the 'Create New Graph' section. At the top, there is a navigation bar with 'FastBridge' logo and menu items: 'Specialist', 'Training & Resources', 'Screening', 'Progress Monitoring', and 'Reporting'. A welcome message states: 'Welcome to the new progress monitoring experience! Currently, this is only for academic progress monitoring. To view progress monitoring for behavior 'click here'.' Below this are several filter buttons: 'Aiken High', 'Grade', 'Subject Area', 'Monitoring Assessment', 'Monitoring User', 'Strategy', 'Interventionist', and 'Intervention Name'. There is also a 'New' button. A search bar is labeled 'Active Only' and 'Search'. A table lists three students: Adams, Kharma; Alderson, Christopher; and Abraham, Lexi. Each row has a checkbox, a monitoring date status (all 'Overdue'), an assessment name (CBMreading or earlyReading), a start score of 0, and monitoring scores. A dropdown menu is open over the table, showing 'Reading', 'Math', and 'Behavior' options. A red text overlay says 'Select content area.' with a circled '4' pointing to the 'Math' option. A red question mark icon is in the bottom right corner.

Edit Existing Graph

The interface shows the 'Edit Existing Graph' section. The navigation bar is the same as in the previous section. The welcome message is the same. Below the filters, there is a 'New' button and a '1 record selected' indicator. A toolbar contains 'Release 1 student from PM Plan', 'PM Report', 'Edit Setup', and 'Cancel'. A table lists four students: Adams, Kharma; Alderson, Christopher; Abraham, Lexi; and Aaron, Tyliek. The first three rows are identical to the previous section. The fourth row, for Aaron, Tyliek, has a checked checkbox, a 'This Week' monitoring date status, and the same assessment and scores. A circled '1' is next to the first row header, and a circled '2' is next to the 'Edit Setup' button. A red question mark icon is in the bottom right corner.
